During the month of January, 2024 the Fayal Fire Department Staff trained for 8 hours on Annual Requirements of Blood Borne Pathogens, Right to Know, Haz Mat Awareness and Fire Ground Operations/Tactics.

Annual Firefighter Physical Assessments were performed and documented by Fairview HealthCare.

Lieutenant Widmer and Staff completed minor cosmetic repairs within FFD Station #1 and Station #2. LT. Widmer also placed the new SCBA Cylinders and Batteries into service.

Captain Sklors and Engineers rolled out a new electronic records system for Vehicle Fleet Maintenance and performed Monthly Apparatus Checks. Small engine repairs and maintenance were performed as well along with upgrades to the Station #1 Air System.

McQueen Emergency began Annual vehicle Maintenance Repairs on FFD Engine 91 in house.

Battalion Chief Preiner began a new electronics record keeping program for FFD Training

Deputy Chief Hoffmann and Secretary Chad along with assistance from FF Moe made adjustments in budgetary documentation, email communication for staff and FFD records.

Deputy Chief Hoffmann and Chief Shykes attended several information and workshop meetings throughout the month.

Deputy Chief Hoffmann developed changes for department policy and procedures including MABAS, Mutual Aid, Response Guidelines and Interdepartmental Communications.
